

Notice to all Property Owners

To all Property Owners that Own, Rent, or Maintain an ATV or Golf Cart

If you are responsible for the operation of an ATV or Golf Cart, it is to be driven only on the main streets of the Subdivision or other designated areas. Our speed limit signs are posted and must be maintained.

**No ATV or Golf Cart is to be driven on or through someone else's property. This is considered trespassing. They can and may report you to the proper authorities.
If this occurs you may be fined.**

**All streets in this Subdivision are considered County Roads. You can and may be stopped and given a ticket for improper use of an ATV on a public street, by a constable.
If we abuse the privilege of driving our Golf Carts on the main streets, the privilege will be taken from us.**

**No minor or inexperienced driver should be driving any vehicle on the main streets.
It is for their safety that they should remain on their own property.**

We hope that everyone will enjoy a safe and courteous subdivision.

Holiday Shores Subdivision I Property Owners Association, Inc.
